

# Lubricants for Passenger Cars

Quality counts. That's why VW relies on FUCHS lubricants. As one of the leading factory fill specialists we supply the original quality.

Today and tomorrow.

| Products   | Features   | Specifications                      |
|--|--|-------------------------------------|
| <b>Engine Oils</b>                               |  |                                     |
| <b>TITAN GT1 Longlife III</b><br>SAE 5W-30       | Premium synthetic oil for all kinds of VW vehicles with and without extended service intervals. Specially developed to meet the needs of state-of-the-art engines and their exhaust systems (particle filters, catalytic converters).  | VW 504 00<br>VW 507 00              |
| <b>TITAN Supersyn Longlife Plus</b><br>SAE 0W-30 | Fully-synthetic, high-performance, fuel-economy oil for the latest generation of VW engines. Specially developed for VW Longlife Technology. For all passenger car gasoline and diesel engines with or without pump injector technology. Optimum cold starting.                | VW 503 00<br>VW 506 00<br>VW 506 01 |
| <b>TITAN Supersyn Plus</b><br>SAE 5W-40          | Special high-performance fuel-economy oil based on synthesis technology for VW-TDI engines with pump injector technology.  | VW 500 00<br>VW 505 00<br>VW 505 01 |
| <b>Gear Oil</b>                                  |  |                                     |
| <b>TITAN SPEED</b><br>SAE 75W-90                 | Fully-synthetic, high-performance, fuel-economy gear oil for manual gearboxes and differentials in passenger cars with or without limited-slip functions. Excellent flowing properties even at low ambient temperatures.   | API GL-4                            |
| <b>Automatic Transmission Fluids</b>             |  |                                     |
| <b>TITAN ATF 4000</b>                            | Automatic Transmission Fluid. Meets the General Motors DEXRON III specification. Recommended for use in automatic transmissions, power steering systems and hydraulic drives. Better low-temperature shifting compared to DEXRON II-D. Offers smooth shifting characteristics. | DEXRON III                          |
| <b>TITAN ATF 3353</b>                            | Automatic Transmission Fluid with fuel-efficiency potential for the latest generation of automatic transmissions.  | DEXRON III                          |

Edition 12/2005
